Ilsington Parish Council Meeting at Liverton Village Hall Tuesday the 24th July 2018

MINUTES OF THE MEETING

Present: Cllr M Wills Cllr L Dunkley Cllr R Dale
 Cllr A Patch Cllr R Bainbridge Cllrs Mrs J Prior
 Cllr Mrs C Reeve Cllr M Retallick Cllr R Steemson

Also in attendance: Cllr G Gribble – Devon County Councillor, Mrs Retallick (Clerk).

Councillors are reminded that they must declare any prejudicial interests they may have in any item to be considered at this meeting, prior to the commencement of the meeting.

Cllr Wills welcomed everyone to the meeting

18/86 To accept apologies for absence.

Received from K Bainbridge, S Hember, Cllr Christophers

18/87 Declaration of interest in items on the agenda.

None

18/88 Clerks report.

- Another application has come in for comment on the Gypsy site; therefore a planning meeting is needed in August.
- meeting with DAAT on 3rd August at Ilsington playing fields
- The designed for the Ilsington playing field signs has been sent through and the sites agreed.
- Two local carpenters have been asked to visit the notice boards and quote for the repair work which is needed.
- Rural skip in Ilsington on the 22nd September 10 – 4pm
- This week it has been reported a problem with the lock at the allotments which I will follow up and get repaired.
- The replies and recommendations for gritters from other parishes have been received; this matter will be placed onto the September agenda.
- Grant app for bell ringers – September meeting

18/89 PUBLIC FORUM & MEMBERS COMMENTS – (limited to 10 minutes)

(Applicants with planning applications for consideration may also speak for up to 3minutes on behalf of their own application)

Cllr Patch reports that the members of the tennis club are satisfied with the surface. The councillors are concerned over TDC's decision to stop parish councillors being present at district site meeting, the meeting was happy with the clerk comments which have already been submitted to TDC.

The chairman invited the FOIPS representatives to present their revised grant application who then gave explanation in more details of donations which have been received since the last meeting.

Cllr Prior has noted cars parked on double yellow lines near Tor garage, Cllr Steemson noted that it needs to be reported on the online highways report a problem page. Cllr Retallick has seen an increase in recent years – at the moment the parking is linked to the house being built. Also the hedge opposite needs to be cut back and he has already asked the land owner to do this in the autumn.

The large bin outside the Carpenter Arms contributes to blocking the road if cars park opposite it, it was noted however that the bin is not on the highway.

Cllr Patch enquired when the work of clearing the telephone box of ivy will begin, also he reported that we are awaiting BT to come and disconnecting the electric, once that has been done the project can move forward again. Cllr Prior reported that the phone box at Sigford has been cleaned, the door removed to be replaced by BT eventually and the light repaired.

18/90 To confirm the minutes of the last meeting 26th June 2018.

Wording altered at 18/83 then signed.

18/91 To receive reports from District, County Councillors, DNPA Ranger and Police.

Double yellow lines at Blackpool school, offences related to parking on these are enforceable by a DCC enforcement officer.

With regard to TDC's decision to stop parish councils being invited to site meetings Cllr Gribble supports the Parish's feelings and agreed it is important for Parish Councils to be present to give their local knowledge.

The gravel pit near Drumbridges is filled with grit at the moment which will prevent travellers using it. Cllr Gribble suggested that this Council re-submits to Highways their request under Freedom of Information for the costing of the removal of the travellers.

Once the road repairs have been completed unless the site is secured there is a risk of the travellers returning. The council are in favour of dumpy bags being put back and Cllr Patch again asked about the pre-entered order. Cllr Gribble will ask Ms Booth from highways to attend a meeting by this parish in the future to listen to all these concerns and comments as there are several safety matters which affect the road users when the travellers are there.

18/92 Business Brought forward by the Chairman.

Cllr Wills has reported the over grown hedges from Drumbridges slip road and asked the other member to also report it along with the area between the Welcome Stranger and the bridge.

Cllr Retallick suggested the road between Liverton and the 30mph sign towards Cummings cross requires cutting back to increase the width of the road. This would not break the countryside law as it is a safety matter. He estimates that it would cost approx. £200. All the councillors were in favour of taking this proposal forward. Cllr Retallick also proposed Cllr Steemson would speak to the landowners and notify them of our intention and that the Parish Council would cover the cost. All were in favour.

(GG left the meeting)

18/93 Grant application: Review and decision

(Cllr Retallick declared a personal interest in this item and declined from any decision) The chairman went through the information on the applications.

(MW suspended the SO.) The Chairman invited the FOIPS representative to update the meeting. The councillors asked how the event had been funded in the past and various other issues that is related to this application

(Resumed SO orders). Cllr Wills proposed that to support the request for items which supports a community event, Cllr Patch proposed to add that the grant should be £500 toward the infrastructure and public safety. All resolved that the £500 grant be approved.

18/94 Data Survey – to review, agree and adopt

The data audit had been circulated to all the councillors, Cllr Wills proposed to adopt this document and Cllr Reeves seconded, all in favour.

18/95 To consider the planning applications received from Teignbridge District. Council and Dartmoor National Park Authority.

a) DNPA 18/0028 – Tree preservation order at Moorland Hotel, Haytor. **No objection**

GRANT OF CONDITIONAL PLANNING PERMISSION

- TDC 18/01311/FUL Location: ILSINGTON - 11 Shapley Way, Liverton Proposal: Extension

18/96 To receive reports from Parish Councillors on outside bodies.

Cllr J Prior reported from Ilsington Village Hall committee AGM - giving a full account of the work that has been carried out at the hall; she also gave information about the financial position. Booking fees have increased slightly. Information about future events and committee structure were given. Then Cllr Prior reported that the village shop needs more volunteers, the shop has recently carried out a community survey. Cllr Dunkley was also

Ilsington Parish Council (Full Council meeting)

present at that meeting and added that a power point presentation was shown about management and marketing the business.

Cllr Retallick DNPA – Informed the meeting that a review of all parks is underway by Julian Glover who is looking at systems and identifying good and bad points and the report will be presented to DEFRA as support evidence for the funding given to the national parks.

Cllr Dunkley – Liverton village hall coffee morning was held recently and the profits went to charity. The BBQ is still waiting to be built hopefully for this summer. The dog waste bins have not been emptied and have reported it to TDC.

Cllr Wills attended the flower show and felt the event was very well supported, Cllr Dunkley concurred that there were a lot of councillors present.

Cllr Retallick enquired about the booking procedure at Liverton village hall as a local Charity did have difficulties in securing the booking, Cllr Patch (*Chair of LVH*) explained the halls booking system and confirmed the committee are happy with that process.

Cllr Dunkley noted that the marquee at the playing fields for the flower show was not being used in the evening this year and was a wasted opportunity as a fund raiser. This was discussed, the funding from the parish council will be awarded through a different process next year and organisations may use the marquee for fund raising events next year.

18/97 To authorise payments of cheques presented.
